SPLIT IN THE GEORGE PARTY

TROUBLE CAUSED OVER COUNTY TICKETS.

TOO MANY ARE INDORSED.

The United Democracy, which first nominated him, threatens to abandon his leadership—Betting men warring on Tammany to win at the polls—Straw Ballots.

NEW YORK, Oct. 9.—The most sensational event of the day in the municipal campaign was the action taken last night by the Henry George campaign committee.

The Citizens' Union county ticket in New York county, the McLaughlin Democratic county ticket in Kings county, the Mulien Democratic ticket in Richmond and the Madden Democratic county ticket in Queens are all to be indorsed. At 11 o'clock it was said that the assembly and aldermanic and borough tickets for these same organizations had also been indorsed, but this could not be verified. The Georgists started in to name a city ticket of their own, and by 11 o'clock Charles Frederick Adams, for the president of the council, was the only man chosen. It is understood that he will withdraw as a candidate for the court of appeals against Judge Alton R. Parker, the regular Democratic candidate.

It is said the conclusions reached are the work of Tom L. Johnson and some of the members of the campaign committee. What will the effect be is hard to forecast, but last night it looked as if it would demoralize Mr. George's forces. The United Democracy, which first nominated Mr. George, declared through its leaders that it was done with the George movement. Secretary Stover of the Democratic Alliance was equally outspoken, and said his organization would knife George if the ticket was forced on it. The Populists seemed to take the same view. Later it was said that Charles Frederick Adams has not been chosen as president of the Council, although he probably will be. It developed and was admitted by Citizens' Union leaders and Georgists that there was a deal on between the two.

Edward H. Talcott today offered to bet \$5,000 even that Van Wyck, Tammany candidate for mayor, would be elected, providing Low, Tracey and George remain in the field. His offer was not accepted.

Another stock exchange broker made a bet of \$100 even that Low will receive more votes than Tracey. He offered to bet more money the same way, but could find no takers.

It was reported that a number of well known stock exchange brokers are going to put up \$25,000 to bet at odds of 10 to 8 that the Tammany ticket will win. The same odds were offered by a Consolidated exchange broker.

The Journal's poll of the voters of Greater New York's preferences for mayor includes 121,750 ballots. Henry George has 49,124; Van Wyck, Tammany, 30,758; Seth Low, Citizens' Union, 27,594; General Tracey, Republican, 19,372.

The World's poll includes 100,494 ballots, divided as follows: Van Wyck, 43,065; Seth Low, 34,526; Henry George, 31,118; General Tracey, 19,280; Patrick Gleason, Independent, 5,422.

Preacher Springs a Surprise.

NEVADA, Mo., Oct. 9.—Elder J. J. Lockhart, pastor of the Christian church of this city, doubly surprised his friends here yesterday. During the afternoon, in company with Mrs. Lois Fuller, a wealthy and handsome widow of this county, he drove to Fort Scott, where they were married, and later in the evening after returning to Nevada, he resigned his pastorate. His church edifice cost \$33,000, and was erected through Elder Lockhart's efforts. He goes from here to Canton, Mo., where he has accepted the chancellorship of the Christian university.

sig Mining Deal at Joplin.

JOPLIN, Mo., Oct. 9.—The Degraff Bros' lease of forty acres and their big concentrating plant at Empire, Kan., was sold to a Corbin, Jr., syndicate for \$110,000 spot cash. These mines were opened up a little over a year ago and have paid \$50,000 in dividends, the last few weeks netting \$3,000 each week. These mines are now the biggest lead and zinc producers in the entire Joplin district.

Chicago to Have Acetylene Gas.

SPRINGFIELD, Ill., Oct. 9.—The Acetylene Gas Light and Fuel company, capital \$1,000,000, was today licensed to incorporate by the secretary of state. The principal office is in Chicago. The company will manufacture and sell gas in Chicago and places contiguous. The state fee was \$1,045.

Five Years for Assault.

MEXICO, Mo., Oct. 9.—Tom Cooley was sentenced to five years in the penitentiary for assaulting his 13-year-old niece, Mary Winn, daughter of a substantial farmer. A new trial or an appeal will be taken.

The Hudson River Tunnel Involved.

A NEW QUESTION.

Can a Mental Imbecille Be Called Insane.

OKLAHOMA CITY, Oct. 9.—Yesterday a habeas corpus proceeding was brought before Judge Keaton for the release of one Denny Champ from the Territorial insane asylum at Norman. Champ was adjudged insane and sent to Norman by the Logan county insanity board. His mother, Sarah J. Champ, seeks her son's release on the plea that he is not insane, but a mental imbecille or idiot, and that the insanity board had no jurisdiction in such cases.

Dr. Thordagill, manager of the sanatorium, has been ordered to appear with Denny Champ before Judge Keaton.

A WEEK MORE OF IT.

Luettgen Case to Go to the Jury Next Friday—State's Evidence In.

CHICAGO, Oct. 9.—The evidence of the prosecution in the trial of Adolph L. Luettgen is now before the jury. The state rested its case yesterday afternoon. The closing testimony of the same impeaching character that marked the evidence of the preceding day. Professor George Horsey had his innings during the afternoon session of court, and he made matters unpleasantly warm for Dr. Allport. A sensation was created in the courtroom when a woman attired in mourning garb ascended to the witness stand and held up her hand to be sworn. Tears were in her eyes as she sank into the witness chair. This woman was Mrs. Wilhelm Miller, a sister of Mrs. Luettgen. Mrs. Miller testified while her burning eyes were fixed upon the face of Luettgen. The big sausage-maker returned the gaze coldly. Mrs. Miller told of the kindred of her sister, and asserted that no mother was ever more patient or more kind to her children.

Fred Miller, nephew of Luettgen, and Diederich Beckness, a brother of Mrs. Luettgen, testified to having been frequent visitors to the home of the Luettgens and to the kindnesses they had witnessed Mrs. Luettgen bestow upon her children. This evidence was called out to combat and impeach the evidence of Mary Siemmering and Mrs. Mary Charles, who testified that Mrs. Luettgen treated her children cruelly. With this evidence the state rested. Judge Tuthill at once adjourned court until Monday morning, and hurried away to catch a train for Nashville, Tenn.

The case will go to the jury next Friday.
